## What does this policy affect?

This policy affects the delivery of subjects of GCE and GCSE qualifications which contain a component(s) of non-examination assessment.

The regulators' definition of an examination is very narrow. In effect, any type of assessment that is not:

- set by an awarding body
- designed to be taken simultaneously by all relevant candidates at a time determined by the awarding body, and
- taken under conditions specified by the awarding body (including conditions relating to the supervision of candidates during the assessment and the duration of the assessment)

is classified as non-examination assessment (NEA).

'NEA' therefore includes, but is not limited to, internal assessment. Externally marked and/or externally set practical examinations taken at different times across centres are classified as 'NEA'. (JCQ's Instructions for conducting non-examination assessments, Foreword)

[This publication is further referred to in this policy as NEA](#)

## Purpose of the policy

The purpose of this policy, as defined by JCQ, is to:

- cover procedures for planning and managing non-examination assessments
- define staff roles and responsibilities for non-examination assessments
- manage risks associated with non-examination assessments

The policy will need to cover all types of non-examination assessment. ([NEA 1](#))

## What are non-examination assessments?

Non-examination assessments measure subject-specific knowledge and skills that cannot be tested by timed written papers.

There are three assessment stages and rules which apply to each stage. These rules often vary across subjects. The stages are:

- task setting;
- task taking;
- task marking. ([NEA 1](#))

## Procedures for planning and managing non-examination assessments identifying staff roles and responsibilities

## The basic principles

### Head of centre

- Returns a declaration (managed as part of the National Centre Number Register annual update) to confirm awareness of, and that relevant centre staff are adhering to, the latest version of [NEA](#)
- Ensures the centre's Non-examination Assessment Policy is fit for purpose and covers all types of non-examination assessment
- Ensures the centre's Internal Appeals Procedures clearly detail the procedure to be followed by candidates (or their parents/carers) appealing against internal assessment decisions (centre assessed marks) and requesting a review of the centre's marking

### Senior leaders

- Ensure the correct conduct of non-examination assessments (including endorsements) which comply with [NEA](#) and awarding body subject-specific instructions

### Quality assurance (QA) lead/Lead internal verifier

- Confirms with subject heads that appropriate awarding body forms and templates for non-examination assessments (including endorsements) are used by teachers and candidates
- Ensures appropriate procedures are in place to internally standardise/verify the marks awarded by subject teachers in line with awarding body criteria
- Ensures appropriate centre-devised templates are provided to capture/record relevant information given to candidates by subject teachers
- Ensures appropriate centre-devised templates are provided to capture/record relevant information is received and understood by candidates
- Where not provided by the awarding body, ensures a centre-devised template is provided for candidates to keep a detailed record of their own research, planning, resources etc.

### Subject head/lead

- Ensures subject teachers understand their role and responsibilities within the non-examination assessment process
- Ensures [NEA](#) and relevant awarding body subject specific instructions are followed in relation to the conduct of non-examination assessments (including endorsements)
- Works with the QA lead/Lead internal verifier to ensure appropriate procedures are followed to internally standardise/verify the marks awarded by subject teachers

### Subject teacher

- Understands and complies with the general instructions as detailed in [NEA](#)
- Where these may also be provided by the awarding body, understands and complies with the awarding body's specification for conducting non-examination assessments, including any subject-specific instructions, teachers' notes or additional information on the awarding body's website
- Marks internally assessed work to the criteria provided by the awarding body
- Ensures the exams officer is provided with relevant entry codes for subjects (whether the entry for the internally assessed component forms part of the overall entry code for

the qualification or is made as a separate unit entry code) to the internal deadline for entries

#### **Exams officer**

- Signposts the annually updated JCQ publication [NEA](#) to relevant centre staff
- Carries out tasks where these may be applicable to the role in supporting the administration/management of non-examination assessment

### **Task setting**

#### **Subject teacher**

- Selects tasks to be undertaken where a number of comparable tasks are provided by the awarding body OR designs tasks where this is permitted by criteria set out within the subject specification
- Makes candidates aware of the criteria used to assess their work
