Dear Parent/Carer,

We would like to invite you to Open Afternoon at Newbridge House Pupil Referral Unit on October 10th from 2.45 to 4.45.

This is an opportunity to speak to teachers about your child's academic progress.

Engagement Officers will be there for you to be able to ask questions about their role. There will be the opportunity for you to talk to us about what parent workshops you would find useful.

Behaviour Support Workers can discuss what happens in one to one sessions and how they plan these sessions.

Our Inspira advisor Karen Whitehouse will be at the centre with information about how they can support your child with post 16 choices.

The Relationship & Sex Education (RSE) curriculum documents are available to read and we would very much appreciate any feedback you can give us about this area of the curriculum along with the opportunity to ask any questions about this.

There will be an overview of our website so that you can easily find information on there about what is going on in and around the centre.

There will be information and guidance available about vaping and child health services.

Kev Milby from the Child Centred Policing Team will be here to talk about County Lines.

If there are any other areas that you would like to talk about you are welcome to email/text and we can prepare anything for the session or come and speak to us on the day.

We would really like to see you here at the centre, if you are struggling with transport please let us know and we can support you in getting here. If you can't make this date but do want to see us about all the information that will be available at this event please do not hesitate to contact us.

A text will be sent in the next week to ask if you will be able to attend. Please could you text your response back.

Kind regards,

Michaela Kemp
Assistant Head
